

**CAMP OMI 2016
NEED-BASED FINANCIAL AID APPLICATION**

Education Omi encourages people of all ages to interact with contemporary art and ideas in a community-oriented environment. Through a variety of programs, we aim to build bridges between the local community and professional artists and their artwork. To this end, Camp Omi makes financial aid available to a limited number of participants each season by selecting those families who illustrate a significant financial need. Financial aid covers 50% of the total tuition and is limited to one award per family.
